5. School Report: Grade 3 highlights
Ms. Rita Astalosch sharing on behalf of the grade 3 team Ronalee Borassa and Sam Cooper.
Caterpillars are growing and we are waiting for them to turn into butterflies!
Highlight of grade 3 science for sure! Each student has their caterpillars at home so they can watch them transform. A lot of focus has been on social emotional modelling and self regulation this year.
With online learning, there has been some struggles but the transition was easier with the notice we were given beforehand. They were able to practice before going

into learning from home with google meets and how to contact their teachers.

Ms. Astalosch:

- d. Outdoor Sensory Paths - update
Stencils can be borrowed from the City of Fort Saskatchewan. Will just need some paint and workers to do them on the pavement.
 - e. Update of School Improvements
School sign has been updated and looks amazing.
Exterior has begun to be painted with some more earth tone yellow and blue.
Boulton family donated the new stumps and the kids loved them. They have been put away until students are back.
7. Treasurer's Report- Leslie-Ann
- Donation to Eggcellent Petes has brought our faith pillar to \$0. Education budget was used for the kindergarten drums. Health and wellness still has \$500.
Community has \$1959.50 left which we can put some towards our year end celebration. Spring plant fundraiser raised \$1151.50.
8. Old Business
- a. Ukuleles
 - b. College of Alberta School Superintendents (CASS) First Nations, Metis and Inuit Education Gathering - Presentation from Mrs. Evans (grade 4 teacher)
- Mrs. Evans is so grateful to have been able to attend the conference and to

learn so much about FNMI students and how to include their experiences within the classroom.
