Select the School Engage Student Forms

This opens a new screen for School Engage.

## Select Students

A drop down menu will open. Then **select your student**. On the right side of the screen you will see a forms section. **Select Medical Status Update/Request for Medical Treatment**.

For any medication that is kept at the school (in the office or student's backpack) you will need to complete and submit the <u>Medical Status Update/Request for Medical Treatment form</u>.
