Strategic Priority	Faith Integration		Learners and Learning		Systemic Wellness	Community Engagement
Goal	Students, staff and EICS community will be provided a faith integrated environment through worship, witness and service.		Students and staff will develop to their fullest potential through multiple pathways.		Staff and student well-being, in mind, body and spirit, will be supported through programming and education.	EICS provides enhanced opportunities to support student success through communication, engagement and partnership.
Division Outcome	Students and staff engage in living a sacramental life to deepen their faith journey.	Students are provided relevant religious education and faith integration in all curricula.	Students access learning opportunities and supports that address their diverse learning needs.	Students achieve acceptable and excellence in literacy and math/numeracy.	Support holistic well-being through education and professional development.	Provide opportunities for all stakeholders (staff, students, and parents) to have involvement and provide feedback to improve the educational experience.
School Strategy	Share practices and develop experiences that help in the formation of responsible students who give witness to Catholic social teachings (Active Citizenship) to see an increase in following expectations, treating others with respect, and lending a helping hand to others.	Provide support to strengthen our Catholic identity through the integration of the Five Marks of The Excellent Catholic Leader, the Five Marks of an Excellent Catholic Teacher and the Marks of a Catholic School (Leadership and Staff formation, Instructional	Provide mentorship to enhance teachers' and leaders' capacity in differentiation, ensuring they can effectively implement accommodations, adaptations, and modifications to support equitable access and optimal learning for all students.	Support implementation of the literacy continuum of supports based on assessment triangulation to address gaps.	Support staff in enhancing holistic student well-being by providing resources and professional development on co-regulation, trauma-informed practices, and fostering safety and belonging.	Continue existing internal and external active Division and school engagement processes with key stakeholders.
