

St. John XXIII School

One to One Device Project Parent Discussion this Monday

Beginning in September, Elk Island Catholic Schools will be embarking on a One-to-One device project for grades 4-12. This means each student would have a device that they can work on throughout the day. This will allow teachers the ability to work with students in new and innovative ways, making use of these tools in the classroom. The goal here is that through the use of their own device, or a school rented device, our students can be better prepared for a technology integrated world, and more effectively engage curriculum in all subject areas through the use of technology.

ECS - Grade 3 will not be left out here either. Next year will see significant changes in technology in all of our classrooms throughout the school as we phase students into technology integration. By now you likely have a few questions about how all of this is going to look. Over the next several weeks we will be sharing more information. To start though, you can check out our FAQ for this project by clicking the link: <https://goo.gl/j1akdl>

On **Monday, March 7th** the three Fort Saskatchewan Catholic Schools will be hosting an info evening regarding this project at 6:30 pm in the St. John XXIII Library. All are welcome!

Parent/Teacher/Student Conferences March 21st and 22nd

Once again interviews will be booked online. Please watch for a letter with booking instructions coming home next week. We are looking forward to meeting with you!

Pray, Fast, Give Lent Challenge Week #3

Our SLS Citizenship & Faith Teams are challenging us this week to . . .

Pray: Take time each day this week to *pray for peace* in our world.

Fast: As Pope Francis has asked of us, may we *fast from indifference* and forgive and care for others.

Give: New sticks of deodorant (travel size is best) for the Mustard Seed. Still accepting toothbrushes and toothpaste, too!

Looking Ahead . . .

March 7	School assembly brought to us by Mrs. Vukovic's Grade 4 class
March 7	Grade 3 Art Club (pre-registered students)
March 7	Grade 1 Dance Club – Advanced (pre-registered students)
