School supplies are much easier to pick and choose options on. Base packages are smaller than past years.</p> <p>10.3 Paul proposed that the PSC and school split the cost of the fun day lunch so all students can receive a hot dog and to avoid confusion from last year. 2 hot dogs per kid and volunteers + bag of chips and freezies for afternoon treat. No juice boxes encourage water bottles instead for healthy option. Buy the freezies that can be snapped in half but they have to be frozen at home. Eat in gym if not being used for equipment, file the kids through like on pancake days so parents aren’t running around with ketchup and mustard. Kids can sit on the floor. If it’s raining they can move to their classrooms after they have their lunch in hand.</p> <p>Shelly Young put forth motion that PSC cover half the cost of the Fun Day lunch. First Donamarie Lukie Second April Quilty Motion carried.</p> <p>10.4 \$5000 towards NEW project, non-consumable.</p>
