

September 8, 2016

Dear Parents/Guardians

Once again we are offering the milk program to students at St. John. This year the milk program will again **only be offered three days per week** on Monday, Wednesday, and Friday. There will be **NO CASH SALES** and only students who participate in the prepaid program will receive milk. Prepaid orders will only take place once this year. White, chocolate milk or 25% less sugar chocolate milk will be offered and students will choose at the beginning of the program. They will be able to switch flavours in February. Milk will be delivered to the students' homeroom at 12:00 on Monday, Wednesday and Friday.

The cost of preordered milk for the year from Monday, October 3<sup>rd</sup> to Friday, June 23<sup>rd</sup> will be \$70.00 per student. (Two children = \$135.00; Three children = \$200.00; Four children = \$265.00)

Please make cheques payable to: **Elk Island Catholic Schools.**

**In the event that a student is prepaid and then is absent for an extended of time (more than 12 days) then arrangements can be made for a rebate. Any other absences will be considered as a kind donation to your hard working Parent School Council.**

Thank you for your support in our efforts to encourage and promote good nutrition!  
**(Please fill in and return the bottom portion)**
